### **INSTRUCTIONS**

Strip and pad the stairway as usual. Working from the top of the stairway down, fully stretch the carpet on the first step. Next, the carpet should be stairtooled down tightly into the crotch. (see figure below.) The Stairway Stretcher pushes the carpet uniformly in the direction of the nap sweep. Wide stairs require repositioning the stretcher.

## **CRAIN** GUARANTEE

Every Crain Stairway Stretcher is guaranteed to be free of defects in workmanship or quality of materials for a period of one year.

Any parts of tools found defective subject to the guarantee will be replaced at no charge. Credit in full or part cannot be extended by the distributor. New tools will not be given as replacements for those pending a warranty adjustment.

All merchandise returned subject to this warranty must be in complete, assembled condition and should be shipped **FREIGHT PREPAID** to **CRAIN CUTTER CO., INC.**, Milpitas, CA. A copy of the Bill of Sale (proof of purchase) must be included. No consideration will be given to unassembled parts. All disputes will be up to the determination of the **CRAIN CUTTER CO., INC.** and their decision will be final. The liability of the company is limited to repairing or replacing any defective products.
